

5. Bada Bing, It's Spring!

Words and Music by
JILL GALLINA

Joyfully (♩ = ca. 126)

ALL *mf*

The
The

5

sun came out to let wel-come spring, and soon the birds be -
chil - dren all to let out a cheer, they knew that spring was

8

gan to sing. — The flow - ers heard the joy - ful song, oh,
real - ly here. — The sun has chased the clouds a - way, now

11

13

how they hoped to sing a - long. So, one by one out
they could all go out and play. The flow - ers bloomed in

14

of their beds, they yawned and stretched and raised their heads. They
col - ors bright. Oh, what a tru - ly love - ly sight! And

17

danced and swayed to the joy - ful sound and poked their heads out
then the weeds e - ven found some room. In spring each liv - ing
